

Schneiden

WEZAG

ACSR cable max. cross-section 150 mm²

Cuts cables in a clean and smooth way. You are always perfectly prepared for the next processing step.

Handles even heavy jobs with ease, thanks to optimum transmission ratios.

The low weight and compact size make it easy for you to work.

The cable cutter can be easily operated with just one hand.

Tool lies comfortably in the hand thanks to soft handles with anti-slip protection.

Can be released in any cutting position in the event of incorrect operation.

Tool is extremely robust, minimal wear.

Blades can be easily replaced if necessary.

Manufactured from special steel, specially hardened and tempered parts - quality that lasts.
